1. The following is an examiner's statement of reasons for allowance: The Examiner notes that applicants have overcome the rejections of record and in view of their submission of a proper Terminal Disclaimer the application is now in condition for allowance. The Examiner does, however, note several inaccuracies present in applicants' remarks at page 7 of the Response in the paragraphs concerning certain specifics involving the various claim amendments which he would like to correct. It is first noted that new claims 42 – 45 find support in, e.g. original claim 12. New claim 46 is dependent from claim 6 and finds support in, e.g. original claim 12, while new claim 47 finds support in, e.g. original claim 23. New claim 48 is dependent from claim 22.

2. IN THE SPECIFICATION

Please amend the copending information at page 1, line 2, after "2002" by inserting --, now US Patent 6,761,969 --.
